

FD EUROCUP 2016

Congratulations to the winners of the Eurocup competition of the international FD class association.

The sailing crew CZ21 Jiri Hruby and Roman Houdek asserted themselves among other things by successfully participating in 4 of the 6 events in 2016. This complies with the fundamental idea of the Eurocup rating: Good results at many high-level regattas will lead to success.

In 2016 the Eurocup got traditionally started with the regatta in Altea, Spain. 17 boats were able to finish 7 races under top conditions. The next event was the highlight of the year for the international FD association - the World Championship 2017 in Steinhude. 113 boats sailed 10 or 11 races in 2 groups and then in gold and silver fleets. The third run took place in Germany as well - the traditional Kieler Woche, one of the biggest sailing competitions in the world. 11 races had to be completed until the winners and placings were clear. The organiser of the next event were the Netherlands. There were 5 races possible in Medemblik. Our Austrian sailors were great hosts at the regatta at Achensee with all in all 7 valid races. Finally the Italian Championship at Campione del Garda was in the Eurocup rating 2016 with 34 competitors and 7 races.

All things considered there were 6 events with overall 47 races relevant for the score. According to the rules of the Eurocup the 9 worst results were discarded.

Eurocup winner 2016 is the crew of CZ21, the crew of GER 98 (Shmul Markhoff and various bowmen: Michael Matscheroth, Axel Priegram and Michael Happich) is in second place. In third place is GER 30 with helmsman Thomas Schiffer and bowman Alexander Antrecht.
